

Introduced by Senator Hernandez

February 18, 2011

An act to amend Section 128805 of the Health and Safety Code, relating to public health.

LEGISLATIVE COUNSEL'S DIGEST

SB 728, as introduced, Hernandez. Health data reports: contracts.

Existing law establishes the Office of Statewide Health Planning and Development and sets forth its powers and duties with respect to health facility construction, health policy and planning, and health professions development. Existing law, the Health Data and Advisory Council Consolidation Act, requires the office, under contract with a qualified consulting firm, to conduct a comprehensive review of the financial and utilization reports that hospitals are required to file with the office, and authorizes the office to enter into necessary agreements and contracts.

This bill would make a technical, nonsubstantive change.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
